3. Partner Updates
  - a. Day One – SKILLZ program runs June 6 – July 6, with 100 kids participating, at Lake Avenue Church; their Space Race fundraising event is coming up on June 10 at Hahamongna Park; also working on anti-bullying work, among many other initiatives; with new requirement for students to have community service hours, they are tracking the hours youth participate and help in their programs
  - b. CAP – tracking number of students who get put into remedial writing classes as college freshmen; last day of programs this week; there are complications for parents/students filling out FAFSA forms; they are tracking the kids they work with, for summer data reporting
  - c. Altadena Library – Summer Reading Program registration begins today; they have a new reading tracking app called Bean Stack; June 10 is the celebration of the 50<sup>th</sup> Anniversary of the Library; recently completed six months of community conversations led by Brian Biery and shared final report at Town Hall meeting; identified 11 top priorities and now strategizing on moving forward
  - d. Caltech – recently hosted the first annual math competition, which included students in the Math Academies at McKinley, Sierra Madre and Eliot; also wrapping up science programs for the year; summer programs for youth of all ages will take place on campus, and will include some PUSD kids
4. Collaborate PASadena Update
  - a. Program Assistant search going well; hope to have person on board by June 1
5. Work Group Planning
  - a. Briefly discussed Result Area Outcomes that were established in/around 2015, as follows:
    - i. All youth can select between multiple post-secondary options (no options are closed to them)
    - ii. All youth have work/employment experience before leaving secondary school
    - iii. Youth are engaged in the community
    - iv. Enrichment opportunities are available to all youth
    - v. All 3<sup>rd</sup> grade students read fluently
    - vi. Students feel safe in school and the community
  - b. The need to add Math and Science components was suggested

- c. Continued brainstorm on how to establish all outcomes and then how to prioritize them is needed
  - d. Potential Indicators for each outcome area will be developed and brought to next meeting
- 6. Next Meeting Time and Location – Wednesday, June 21, 9:00 a.m. @ John Muir High School Library
- 7. Meeting adjourned early at 12:30 p.m. due to cold and rainy conditions
